Gonzalez Votes for Bill Extending Unemployment Benefits

Washington, DC – Today, Congressman Charles Gonzalez (TX – 20) released the following statement after the House voted to extend the Emergency Unemployment Compensation and Extended Benefits programs through November 30, 2010 and retroactively restore benefits to some people who already lost theirs:

“Today we are telling the millions of Americans who have lost their jobs through no fault of their own that we haven’t forgotten them,” said Congressman Gonzalez. “Despite the Republicans’ efforts to block these benefits from those who need it the most, we have secured this lifeline for Texans and Americans everywhere who desperately need it.”
