GET CONTROL OF YOUR FINANCES

This free forum brings together local experts to teach you how to protect your home and your family

A MESSAGE FROM

Congressman Charlie Gonzalez

If you're feeling stressed and overwhelmed because you are stretching your paycheck month to month, you are not alone. Gas is nearly \$4 a gallon and the cost of utility bills and basic groceries seems to go up from day to day.

The average family has \$8,000 in

credit card debt and sadly, over 1,400 San Antonio families have lost their homes this year to foreclosure.

Financial problems don't go away by ignoring them — the solution begins with learning how to get control of your finances. To help us all get there, my office is holding a *FREE* financial forum Saturday, May 31st.

This is a great opportunity to learn how to protect your family's financial security and to get your questions answered by local financial experts.

Sincerely,

Charles A. Gonzalez
MEMBER OF CONGRESS
