This Saturday, the Internal Revenue Service will be hosting approximately 200 open houses at Taxpayer Assistance Centers across the country, including one right here in San Antonio. Experienced IRS staff will be available to help individuals and small business owners solve their tax problems, answering questions on a host of issues. As the IRS put it, you can walk in, work through your problems, and walk out with solutions the same day.

The Taxpayer Assistance Center will be equipped to handle issues involving notices and payments, return preparation, audits and a variety of other issues. If you're having trouble paying your taxes, they can help you figure out if a payment plan is right for you and, if so, help you fill out the paperwork. If you've got questions, this is the place to get answers.
