CONGRESSMAN GONZALEZ STATEMENT ON MEMORIAL DAY

San Antonio, TX – Congressman Charles Gonzalez (TX – 20) issued the following statement today to mark Memorial Day, which will be observed on Monday, May 30th:

"This weekend, Americans come together to remember and appreciate the military men and women, including those in the Reserve forces and the National Guard, who have sacrificed their lives for the sake of our freedom and safety. As we remember their sacrifices, and those of their families, we renew our commitment to our country's more than two million troops and reservists, their families, and 23 million veterans, including over 1.6 million here in Texas. To every one of them we say thank you."
