

My office offers internships to high school and college students interested in getting some hands on experience in both of my offices. The internships, which are unpaid, run throughout the year and each intern plays an integral role in the day-to-day operations of my Congressional offices.

If you're interested in interning with my office, please submit a cover letter and resume to:

Congressman Charles A. Gonzalez
ATTN: Intern Coordinator
303 Cannon HOB
Washington, DC 20515
Telephone: (202) 225-3236
Fax: (202) 225-1915

An internship in a congressional office affords students with a unique perspective into the manner in which the federal government functions and I strongly encourage all interested students to apply.
