

I am pleased to assist constituents of the 20th District of Texas in requesting American Flags flown over the Capitol Building and dedicated to any person, organization or event of their choice.

Flags can also be flown on any specific date, including weekends and holidays. Each Flag is individually boxed and includes a certificate of dedication.

There are some nominal fees associated with flying a flag over the Capitol, and the price varies according to the size and material of the flag you request. This cost will be passed on to you.

Once your request is received my staff will contact you to verify your request and give you necessary payment information.
